

ABOUT DBM

DBM Management provides full-service detailing solutions for keeping your boat first class. Successfully servicing the Maring Industry for over 15 years, DBM pride themselves on being the leading, professional marine detailing company on the East Coast, and have grown to provide an extensive range of complimentary service to make maintaining and entertaining on your boat a breeze.

COMPLETE VESSEL MANAGEMENT

DBM pride themselves on being a true walk-on, walk-off service.

Providing a personalised experience, DBM handle everything from functions to fit outs so all you need to worry about is enjoying your boat and spending more time on the water.
